NCC's primary purpose

is to promote acceptance of the Gospel in inner-city neighborhoods through its educational programs and activities which are designed to glorify and share Christ's love through caring for the physical, spiritual and emotional needs of the poor.

Who is our primary outreach?

Children who, in order to succeed in life, need the extra support and spiritual direction NCC is committed to giving them

What kind of extra support and spiritual direction do our children need?

Sharing the gospel with them
Mentoring and free after school tutoring
Exposing them to new, enriching experiences and possibilities
Planting, cultivating and nurturing their dreams toward fulfillment
Providing volunteer opportunities for them to serve their community

When is this done?

After school tutoring – during school year, with periodic testing for progress
“Super Stars for Christ” summer enrichment program – 5 weeks
“Hearts for the Arts” summer program – 2 weeks at Belhaven Theatre Academy
“NCC Prep Program” – 5-year-olds thru second grade – 5 weeks in summer
Special projects throughout the year

Where does this take place?

NCC, First Presbyterian Church and Belhaven University
NCC is located in the Georgetown community of Jackson where we are a center of restoration and equip the body of Christ to use its gifts to TRANSFORM the community.

Why do we do this?

To establish a stable city and brighter futures for our children and families and to give as many as possible the opportunity to hear the gospel

How do we do this?

By utilizing the body of Christ to do the work of Christ in the city
Volunteers are the heart of our ministry!

NCC strives to partner with its community and other ministries

to provide a Christ-centered holistic approach to its programs through offering both spiritual and practical services. We believe that by this approach we are encouraging adults to work toward solutions to their own problems and are giving children the tools to finish school successfully and become leaders in their own communities.

NCC Mission Statement:

To develop a relationship with our neighbors in need, allowing for an effective presentation of the Gospel of Jesus Christ and an opportunity to give our neighbors a spiritual as well as a practical foundation on which they can build their lives

HOW are we funded?

The Lord faithfully glorifies Himself by providing generous gifts from individuals, churches, businesses, foundations, etc.
