Annual Fundraiser TBA	

Remember: All dates are tentative. If Jackson Public Schools are out, we do not have tutoring. If we have inclement weather, we do not meet. Volunteers will alert the tutoring directors/academic enrichment coordinator if volunteers can not make a tutoring session. Parents **MUST** also call their child's after school program if their child will not attend a tutoring session.

STAR READING & MATH TESTING

At the beginning of the program all rising second graders and up will be tested to determine their reading level math levels. Results of the testes will also enable teachers and parents to tailor instructional and home enrichment approaches to help the students increase their reading and computational skills. Students will be tested each nine weeks.

We urge parents to review and implement suggested learning strategies. Parents should make every effort to have students present so students can be tested. Parents should encourage student to focus and do their best when they are tested

Tentative Testing Dates 2011-2012

Mrs. Johnnie Brue, Academic Enrichment Coordinator
Kee Coffee, Examiner

Mrs. Sara Thomas, Site Director, Ash Street
Mrs. Bobbie Smith, Site Director, First Presbyterian
